THE MODERATOR'S MESSAGE

The YEARBOOK OF THE NATIONAL ASSOCIATION OF CONGREGATIONAL CHRISTIAN CHURCHES for the Year 1987, contains much valuable information of interest to its members. Here is a directory of all our Churches, with addresses and telephone numbers of leaders, as well as a brief statistical description of each church.

Most importantly, you will find within these pages a complete listing of the National Association Executive Staff, who serve under the leadership of Executive Secretary J. Fred Hennebohm. The Yearbook also describes the corporate structure of the Association as described in its By-laws. Included for your information are the names of all officers and committee members, and a description of the function of each board, committee or commission. We are pleased to call to your attention the addition of a toll free number to facilitate requests for information as service from the Oak Creek office.

We welcome the submission of additional information about your church to Sharon Walls, our yearbook editor, who has made this an accurate and up-to-date resource for your use. Let me encourage you to read it carefully, and to see that your church is represented by one or more delegates to our 1987 Annual Meeting in Chicago, June 28 to July 1, 1987.

A TRIBUTE TO DR. WALTER A. BORING

October, 1986

The timing requirement for this writing provides an excellent opportunity to recognize the many contributions Walter Boring has made to Congregationalism. He will be retiring from his position of Associate Executive Secretary of the Association on May 1, 1987, returning to his home state of California. Walt's enthusiastic and energetic approach to the responsibilities and challenges of professional staff support for the Association's Missionary Division and Church Development Division have made a lasting mark on each of these important areas of service.

A graduate of Bethel Bible College, magna cum laude, Walt completed graduate studies at Fresno State University,

Central Bible College, and Western Institute for Gestalt and Family Counseling. He holds a Doctor of Divinity Degree from Piedmont College.

Raised in the Assembly of God Church, Walt came to the Congregational Way in 1960 when he served as minister of his first church which was autonomous in nature and not under the rule of a higher ecclesiastical body. He has said that moving to the Congregational Way was like "finding a home."

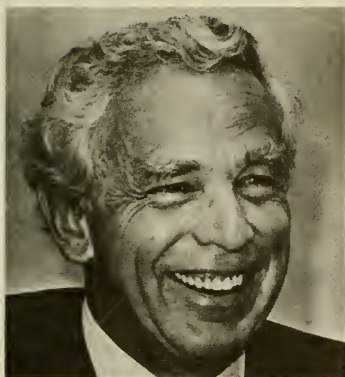

During his ministry in California, Walt served as a missionary pilot in Mexico, ministered in mission evangelism in the Philippines and was involved in religious programs for youth and Northern California Indians. He also served in volunteer positions within the Association, these being Moderator, Nominating Committee Chairman and Missionary Society Board Member and Chairman. On a regional basis, he served as Moderator of the Northern California Fellowship of Congregational Churches.

In May of 1987, when he and his wife, Katy, return to the Golden State, Walt will have completed five years as an Associate Executive Secretary of the Association. Certainly, no one could have accomplished more for the Congregational Way in Missions and Church Development in this five-year period than Walt Boring. He has completed several world-wide trips, visiting the many important missions which gain a portion of their support from the Association. Walt's tireless drive to successfully meet the many challenges involved in the support of healthy missions and assistance in the development of new and existing member churches has made an indelible mark in numerous religious settings throughout the world.

Expecting to return to California, to their son and daughter and their respective families, Walt and Katy will truly "be home" in May for what promises to be active and joyful lives of retirement.

THE EXECUTIVE SECRETARY'S MESSAGE

I have served one year in the position of Executive Secretary, succeeding Dr. A. Ray Appelquist on October 1, 1985. The year has passed by very quickly.

Having travelled from border to border and coast to coast in this rapidly-passing twelve-month period, following 15 years as volunteer treasurer, I have gained a clearer view of our Association, its people and its activities.

One view that is particularly clear is the interest shown by certain other church groups — both large and small — in our form of fellowship, this

being an Association in which each member church is completely autonomous. Each week, our office is being contacted by individuals, representing churches which are not members of our Association, who want to learn more about The Free Congregational Way. These contacts typically result in the transmittal of descriptive material and a personal visit, by one of our professional staff, to meet with the church's leadership.

Members of our professional staff, including Walt Boring, Harry Clark, Mike Matheny and Sharon Walls, provide an excellent level of Christian service to our member churches, ministers, individual Congregationalists and friends. Also, Harold Frentz, our field representative, accomplishes more on a "part-time" employment basis than many a person produces on a full-time basis. These persons are well supported by an eight-member staff in the Oak Creek office.

Of course, the more than 100 volunteers who serve as Association officers and members of boards, commissions, committees and divisions, are really the ones who make things happen. Their dedication to serving the student in seminary, the missionary in a foreign land, the minister seeking a pastorate, the church in need of temporary financial support, or a young people's group looking for direction, make this Association the strong, Christian endeavor that it is today. The names of these fine people are listed on the pages that follow.

It's a good feeling to be able to assure you that we have a dynamic involvement within our ranks, and others are looking at us in the belief our Congregational Way is the way to go. It's working, thanks to many dedicated people. And the future is bright.

J. Fred Rennebohm

CONGREGATIONAL CHURCH DEVELOPMENT

A statement of purpose for the Congregational Church Development Division appears in the By-laws of the Corporation for the National Association as follows:

“To serve as the Agency of the National Association of Congregational Christian Churches in encouraging and supporting the organization and development of new Congregational Christian Churches by such methods and in such locations as the Division may determine appropriate after due study and survey; including response to the inquiries of self-generating groups which may request counsel and support from the National Association for such a purpose.”

The Division has the power to accept, accumulate, and expend funds designed for the above purposes, all funds being held in the name of the Corporation for the National Association. It elects its own officers, and reports semi-annually to the Executive Committee sitting as the Board of Directors of the Corporation. It has also assumed the promotion and administration of the Ten Dollar Club, as well as offering counsel and support to existing Congregational Churches with special problems.

CONGREGATIONAL FOUNDATION FOR THEOLOGICAL STUDIES

Since 1961, the Congregational Foundation for Theological Studies has been providing counsel and financial grants to students preparing for a Christian vocation. The primary concern of this Division is to provide our local Churches with well-trained pastoral leadership.

To date, over 135 students have benefited from the counsel of the Dean, the assistance of an advisor and financial grants.

The Foundation's program is available to a well qualified person determined to become a Congregational Minister, Director of Religious Education or some other kind of special Minister or Teacher.

To continue its mission, the Foundation is dependent upon the member Churches of the Association to provide several things:

1. Regular fiscal support.
2. Encouragement to young people in their parish to consider becoming a parish minister, Director of Religious Education or prepare for a special kind of ministry.
3. Provide the Dean with the names and addresses of persons showing such an interest.
4. Provide practical work experiences in the local church for seminary students.

DIVISION FOR THE MINISTRY

The basic responsibility of this Division is the nurture of the Christian ministry in the churches of the National Association.

Working closely with the staff Secretary for Pastoral Relations, the Division concerns itself with policy aspects of securing ministers and problems arising within the purview of his office. The Division has been assigned the responsibility of overseeing the endorsement of ministers as chaplains in Federal government and other positions requiring such certification.

The Division supervises grants of financial assistance to ministers, both active and retired, who face emergency financial crises. Division members constitute the board of directors of the Retired Minister's Fund, formerly the Hoerner-Strang Fund, and supervise the distribution of gifts and grants to retired ministers and their surviving spouses.

The Division has general oversight of recommended programs for the protection, welfare and career development of ordained ministers of the National Association. Information on these can be obtained by writing to the Secretary For Pastoral Relations.

The Division has the power to accept, accumulate and expend funds designed for the above purposes, all funds being held in the name of the Corporation for the National Association. It elects its own officers, and reports semi-annually to the Executive Committee sitting as the Board of Directors of the Corporation.

THE MISSIONARY SOCIETY

A statement of purpose for the Missionary Society, a division of the Corporation for the National Association, appears in the By-laws of the Corporation as follows:

“To serve as the missionary agent of the churches of the National Association, and of such churches as desire its service; to receive, manage, and distribute such funds and properties as may be entrusted to it according to the expressed wishes of the donors, or in the absence of such designation, by the vote of the division; to counsel with such Churches as call upon it in the area of their missionary concern; and generally to stimulate the spreading of the Gospel of Jesus Christ by such means as are in keeping with the basic principles of the Congregational Christian Churches as stated in the Articles of Association and By-laws of the National Association of Congregational Christian Churches of the United States.”

The activities of the Missionary Society are managed by up to twelve division members. All funds received are disbursed through the Treasurer of the National Association. Designation of gifts for specific missionary projects is faithfully complied within the disbursement of funds.

Currently, the Missionary Society is supporting Congregationalism through aid to churches in many communities across the country, including Hawaii, and supports mission work in the United States and fourteen other countries. Support to churches and missions is given in direct proportion to what is received from N.A.C.C.C. churches and individuals.

COMMISSIONS OF THE NATIONAL ASSOCIATION

The Functions of the Commission

The Commissions of the National Association actually are extended subcommittees of the Executive Committee, charged with responsibilities in specific areas of concern such as Christian Education, Communications, World Christian Relations, Spiritual Resources, Women, and Youth.

The Executive Committee designates a liaison representative to each Commission. Commission members are to be nominated by the Executive Committee and elected by the National Association, after nominations from the floor, for four-year terms so that one-fourth of the membership changes each year. The Executive Committee also appoints the chairman of each Commission for a one-year term, after consultation with each Commission.

In practice, the Commissions are granted considerable autonomy in carrying out their responsibilities. They report all actions promptly to the Executive Committee, including recommendations for actions by the Executive Committee. Some of these recommendations require further action by the National Association at its Annual Meeting. In that case, they are reviewed by the Executive Committee, and its recommendations in turn are submitted at the Annual Meeting.

In the case of some of the older Commissions, records are not available on the enabling resolutions which originally brought them into existence. It has therefore been necessary to draft a current statement of their activities based on actual practice, as a matter of information to the membership of the National Association.

Subject to availability of funds, commissions may meet twice a year; during the fall or winter months and immediately before the Annual Meeting of the National Association. Seminars and exhibits are planned by many of the Commissions in conjunction with the Annual Meeting of the National Association.

COMMISSION ON CHRISTIAN EDUCATION

The Commission on Christian Education was organized in 1957 to assist churches with their Christian Education programs and to help implement the progress of the Congregational Way.

Believing that our historical heritage embodies the basic principles of freedom and fellowship, the Commission devotes most of its efforts toward Heritage Materials designed for all ages. The Commission is also aware of the difficulty encountered by many churches in choosing a total curriculum and has provided charts and guides to aid each church in the evaluation and choice of curriculum materials suitable for its immediate needs.

It is our hope and prayer that through the influence of Christian Education the great freedoms of the Congregational Way will move forward to benefit all mankind and will inspire all to "stand fast in the liberty wherewith Christ has made us free."

COMMUNICATIONS COMMISSION

The Commission is charged with the responsibility of aiding and promoting materials which will be of assistance to churches and individuals in their religious life and which will promote the work of the National Association.

The Commission, when asked, will receive manuscripts for proposed publications from individuals or Commissions, making editorial suggestions and seek to integrate them into the program of the National Association.

The Commission will also initiate materials which would be helpful in promoting and interpreting the Christian way of life from the unique viewpoint of Congregationalism.

SPIRITUAL RESOURCES COMMISSION

The Spiritual Resources Committee, which stemmed from a motion made at the Hartford Meeting in 1963, was raised to Commission status at the 1967 Annual Meeting at Carthage College in Kenosha, Wisconsin, and charged by that Annual Meeting as follows:

The Spiritual Resources Commission shall be charged with the responsibility of encouraging and increasing the knowledge and love of God in both personal and corporate devotions, and of witnessing in the world to Christ and his Gospel.

The Spiritual Resources Commission undergirds the spiritual aspects of the National Association, and acts as a continuing stimulus to the devotional life of the Churches.

To this end, printed materials and seasonal guides are published by the Commission and programs are planned each year for the Annual Meeting that offer times of spiritual refreshment.

Because it is concerned with helping to encourage the spiritual life of the local church, the Spiritual Resources Commission provides an opportunity through Spiritual Retreats and Renewal Days to National Association Churches for spiritual growth, both for its members individually as well as for the corporate life of the congregation.

In so doing, the Commission seeks to strengthen the relational foundation with God and with each Congregational member, from which the decisions and actions of the local church flow.

As a result of the Renewal Programs, a network of prayer and spiritual encouragement has developed among churches within the National Association through their sharing of God's love and experience of Christian community with one another.

The Commission sums up its purpose by taking as its watchword Matthew 6:33 "Seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you."

WOMEN'S COMMISSION

The objective of the Women's Commission is to further the work of the Kingdom of God by uniting the women of the Congregational Christian Churches in Christian Fellowship through programs of education, spiritual growth, and testimony expressed in stewardship and service. The Commission seeks to be a clearing house for ideas and methods found effective in promoting women's responsibilities in the local Churches and in the larger area of the nation and the world.

For assistance, helpful material is available upon request from the national office, P.O. Box 1620, Oak Creek, Wisconsin 53154. Among materials available are, program planning material for interesting programs, timely devotional readings, the Missions Directory as well as suggestions for hand work for missionary projects, and offering envelopes for the Women's Project. There is a slight charge for some of these materials to cover the cost of printing and mailing.

Each year, at the Annual Meeting of the National Association, the women select areas for our combined benevolences called the Women's Project. Each year our gifts have been larger and we hope for continued growth in our Women's Projects.

The Commission supports and encourages state and regional meetings of Congregational women and the formation where desired of statewide Congregational Women's Fellowships.

COMMISSION ON YOUTH

It is the purpose of the Youth Commission to offer local churches youth program resources and support so that the churches can provide opportunities for growth in the understanding of Christian life principles, for the development of a sense of responsible freedom, and for serving the cause of Christ through fellowship and service. The Youth Commission does not seek to provide a total program for the local church youth, rather, it seeks to support these groups and extend specific help when it is requested. In accord with this aim, the Commission engages in the continuing development of resource material for use by the churches.

Further, the Youth Commission seeks to provide opportunities for inter-group fellowship among young people through the National Association Pilgrim Fellowship and the Heritage of Pilgrim Endeavor (see below). An Annual Assembly for NAPF and HOPE is held each summer in conjunction with the Annual Meeting of the National Association. The Assembly is an opportunity for sharing, growing, and learning for the youth of our churches.

Opportunities for service, which might otherwise be unavailable, are afforded through the Work Camps and Pilgrimages sponsored by the Youth Commission. These special programs are available to the High School and College young people of all National Association churches. Other projects, in this country and overseas, are sponsored as needs and opportunities arise.

PILGRIM FELLOWSHIP

The purpose of the National Association Pilgrim Fellowship is:

“To promote a free Christian way of life among the youth of our country; to unite all Congregational young people in worship, fellowship and service; to develop the spiritual qualities and leadership of youth; to convey our ideas to the world in Christian action.”

The activities of the NAPF are directed by national officers elected at the Annual Meeting. As a part of the program of the Commission on Youth, the NAPF operates under the Commission with the assistance of Co-Directors appointed by the Commission. The NAPF strives to serve local groups by providing aid and encouragement at the Annual Meeting and by communications throughout the year.

HERITAGE OF PILGRIM ENDEAVOR

HOPE is an active fellowship of young Congregationalists who have graduated from high school and who wish to continue their ties with the National Association. It operates under the guidance of the Youth Commission and has two Co-Directors appointed by the Commission. The objectives of HOPE are three fold:

1. To provide a continuing fellowship for Congregational young people who have graduated from high school.
2. To provide enthusiastic and dedicated leadership for the Pilgrim Fellowship.
3. To become intelligent and creative adult members of the National Association.

AREA CONGREGATIONAL ASSOCIATIONS AND FELLOWSHIPS

In extending the Congregational Way, Churches and individuals in various parts of the country have established local Associations and Fellowships of several types. While these are not organizationally related to the National Association, they are listed in this Yearbook for informational purposes.

Unless otherwise indicated, membership in these area groups is by Churches and voting privileges are accorded only to delegates from the Churches. If other provisions prevail, a brief descriptive sentence follows the name of the organization.

An "X" appearing before the name indicates that updated information has not been received and that the data included is reprinted from last year's Yearbook. Groups which have not responded in two years to requests for information are listed, however to avoid publication of outdated information, officer information is omitted.

The groups are listed alphabetically by state or geographical area.

ARTICLES OF ASSOCIATION

of the

National Association of Congregational Christian Churches of the United States

Preamble

WHEREAS Churches of the congregational order have historically held to certain truths, chief among which are the freedom of the Christian man maintained at all costs and all hazards; the right of the local Church to self-government in all matters temporal and spiritual, because of Christ's word that where two or three are gathered together in His name He is in their midst; the fellowship of the Churches in the spirit of love, without compulsion or restraint and free from the bondage of creed or ecclesiastical control, and,

WHEREAS the congregational way is one of the great outer and corporate expressions of the inner and individual life, and,

WHEREAS the needs of our time demand that these timeless principles be revived and given national, as well as local, expression, and,

WHEREAS the advance in transportation and communication is such that Churches a continent apart are now as near together as the contiguous Churches of yesterday, and

WHEREAS it is desirable that Congregational Christian Churches have an organization embracing the entire nation, of which the members shall be Churches, and through which they may take counsel and may realize their common purposes, and advance God's Kingdom;

WHEREAS Churches by delegates assembled in Detroit, Michigan, on November 9 and 10, 1955, first organized and elected temporary officers of the National Association of Congregational Christian Churches;

THEREFORE WE, the Churches by our delegates here assembled in Wauwatosa, Wisconsin this 25th day of October, 1956, do covenant in this National Association of Congregational Christian Churches to walk together in the ways which God anciently revealed to our fathers, and in such further ways as He may yet reveal to us, the present form and purposes being hereinafter stated. Amen.

ARTICLE I. NAME

The name of this Association shall be the National Association of Congregational Christian Churches of the United States, hereinafter called the Association.

ARTICLE II. PURPOSE

The purposes of the Association shall be:

To provide a means by which Congregational Christian Churches of this nation may, without in any wise disturbing or altering their present associations and affiliations, consult and advise together as Churches upon matters of common concern to them, both temporal and spiritual;

To provide this closer fellowship and unity in all spiritual matters among Congregational Christian Churches;

To aid, in such ways as may from time to time be appropriate and proper, the continuance and growth of those Christian purposes and practices which have been the historic and accepted characteristics of Congregational Christian Churches.

In case of necessity to do and perform any and all functions ordinarily and customarily performed by Congregational Christian associations.

To promote, carry on and supervise such co-operative activities among member Churches as to them from time to time may seem wise and expedient.

Upon application therefor by member Churches, to provide for them such assistance, whether financial or through advice and consultation or otherwise, as may be proper and expedient.

ARTICLE III. MEMBERSHIP

1. *Member Churches.* Membership in the Association shall be by Churches, which membership shall not be considered inconsistent with membership in any other Congregational Christian Association or conference. In all matters submitted to the Association for consideration, each active member Church shall have one vote.

- (a) For the purpose of this Article a Congregational Christian Church shall be defined as a body of Christians complete under God in spiritual authority and ecclesiastical power, regularly meeting and worshipping in one place, united by a mutually owned covenant, in fellowship with sister Congregational Christian Churches and recognized by the laws of the place of location as a duly constituted Church.
- (b) A Congregational Christian Church may request membership in the Association by congregational action taken at any duly called and held meeting of such Church, which congregational action shall then be certified to the Secretary of the Association by the Church clerk or proper Church official. Upon verification, through the submission of its Constitution and Bylaws, that the Church applying is operating as a Congregational Church, and affirmative vote by the delegates in Annual Meeting, such Church shall become a member.
- (c) There shall be two classes of member Churches: active and inactive.
- (d) Membership may be withdrawn by any member Church at any time by like action and certification, without impairment of any of its temporal or spiritual rights as a Congregational Christian Church.

2. *Associate Member Churches.* Any Christian Church, in sympathy with the purposes and goals of this Association, and in accordance with the procedure of ARTICLE III. Section 1, above, may request an associate membership in the Association, without vote, but with representation on the floor at meetings.

3. *Affiliated Fellowship.* Fellowships of Churches in sympathy with the purposes and goals of this Association may request a mutually agreeable affiliation, without vote, but with voice, whether or not any or all of their individual member Churches are members of this Association. Such affiliation shall be in the spirit of fellowship and shall never be the basis for the exercise of ecclesiastical control by this Association or by the affiliate.

- (b) The Executive Committee shall meet on call of its chairman, or the secretary of the Association.
- (c) The Executive Committee shall act for the Association between its meetings, but the Committee's action shall be subject to ratification and review by the Association. Since ecclesiastical power under God rests solely with the local Churches, the member Churches of this Association have, and shall retain among their other rights and powers, the right and power to review and modify any proposal or action by any agency or creature of the member Churches of the National Association when such proposal or action is deemed by the Churches to be in violation of the principles set forth in these Articles. The Churches also have, and shall retain among their other rights and powers, the right and power to initiate action which they deem wise and proper.

III. OFFICERS

1. *Moderator.* The Moderator, or in his absence, or at his request, the Moderator-Elect, shall preside at the meetings of the Association. 1. *The Executive Committee.* The Executive Committee shall be composed of the twelve members as provided in Article IV of the Articles of Association, who shall be the only voting members, and in addition, *ex officio* without vote, the Moderator, Moderator-Elect Immediate Past Moderator, and the Secretary of the Association. The Executive Committee may make rules for its own guidance not inconsistent with the Articles of Association and these Bylaws. Due notice having been given to all members, seven shall constitute a quorum.

The Executive Committee shall be the Association *ad interim* and shall transact such business as the Association shall from time to time direct. It shall not contravene or exceed the authorizations, implied, inferred or explicit, in the acts and votes of the Association itself. In the intervals between meetings of the Association it shall represent that body in all matters not otherwise provided for but shall in no case exceed the prerogative of the Association itself.

(a) The Executive Committee shall have authority to contract for all necessary expenditures for carrying out policies authorized under the Articles of Association or authorized by the Association, and to approve claims therefor; shall consult

the interest of the Association and act for it in intervals between meetings in all matters of business and finance, subject to the direction of the Association; and shall make a full report of all its doings, the consideration of which shall be part of the order of business at the next regular meeting. It shall provide a suitable form of voucher for expenditures of the Association and shall secure a proper auditing of its accounts.

- (b) The Executive Committee may submit to the Association for consideration any recommendations that it may deem useful for the development of the life and work of the Churches.

- (d) It shall appoint any committee or commission ordered by the Association, but not otherwise appointed.
- (e) It shall suggest to meetings of the Association proposed and appropriate agenda and make preliminary provision for carrying the same into effect; but any such agenda may be modified and amended by the meeting and the discussions and actions of the meeting shall not in any manner be limited by such suggested agenda, nor by the Executive Committee whether acting as a business committee or otherwise.
- (f) The Executive Committee shall serve as the business committee for the meetings of the Association. It may appoint other special committees to deal with phases of work not covered by other agencies as the need arises.
- (g) The Executive Committee shall determine when a necessity exists as contemplated by Article II of the Articles of Association.
- (h) The Executive Committee may take official action on any subject matter within its area of concern by a mail ballot and the motion or resolution so stated shall be submitted with adequate explanatory information to all members of the Executive Committee. The Secretary of the Association at the request of the Chairman of the Executive Committee shall mail out to each member of the Executive Committee a ballot stating the proposition or propositions as proposed, and each member of the Executive Committee shall promptly return the ballot with each proposition marked "Yes" or "No", dated and signed. An affirmative vote shall consist of a two-thirds vote "Yes" by the members of the full Executive Committee, and a vote shall be counted when all ballots have been returned or thirty days after the Secretary of the Association mailed said ballots, whichever is first.

- (j) The Executive Committee shall have an Interim Committee composed of the Chairman of the Executive Committee, as chairman and four other voting members of the Executive Committee and the Secretary *ex officio* without vote elected by the Executive Committee at its organizational meeting at the time of the Annual Meeting to serve for the following year.
 - (1) The Interim Committee shall meet upon call of its chairman or upon direction of the Executive Committee. For all such meetings the full Executive Committee shall at the

same time be notified as to purpose, place and time of the meeting.

- (2) The Interim Committee may initiate business and recommend action to and by the Executive Committee, but no action shall be considered as effective until approved by the full Executive Committee either by mail ballot or at a regularly called and held meeting of the Executive Committee.
- (k) The Executive Committee, before acting as Directors of the Corporation for the National Association on the Appointment of members of the Divisions of the Corporation, shall present to the National Association, prior to the Annual Meeting, the names of those being considered for such appointment, and shall give opportunity to those present at the Annual Meeting to discuss such nominations and to make alternate suggestions for such appointments at an open session of the Executive Committee.

2. *Committee on Credentials.* A committee on credentials composed of three persons shall be elected at each regular meeting to serve at the next regular meeting and at any intervening special meeting. No member shall serve more than three years in succession. The committee shall certify the existence of a quorum and shall prepare a final report to be presented before the conclusions of the Annual Meeting showing the roll of member Churches of the Association represented at the meeting with the names of their Official Delegates and Alternate Delegates (if any) as determined by the presentation of credentials from the electing Churches. This roll shall be made available to all delegates by posting or duplicating or both.

3. *Nominating Committee; Nominations and Elections*

- (a) A Nominating Committee shall consist of six members, three of whom shall be elected at each regular meeting after nominations from the floor, to serve from the adjournment of the meeting at which they are elected until the adjournment of the second Annual Meeting following the meeting at which they are elected, to present a complete slate of officers and the required number of persons for a full Executive Committee and Credentials Committee to be voted upon at each Annual Meeting during which they shall serve. Members of the Nominating Committee shall be members of member Churches.
- (b) The Committee's nominations shall be transmitted to the Association Secretary who shall transmit such list of nominees to all member Churches at least thirty days prior to such regular meeting. In addition to any nominations so made, in every case nominations for any elective office may be made from the floor of the meeting. The Moderator shall in every instance call for such nominations from the floor. In cases where there is no contest the nominees may be elected by voice vote. If there is a contest, the vote shall be by written ballot the following day.
- (c) Nominations for members of the Nominating Committee shall be complete on the day preceding the vote upon their election which shall be by written ballot, except that in case there are only the required number of nominees they may be elected by a voice vote on the day of nomination. A plurality shall be considered sufficient to elect.

4. *Committee on Resolutions.* At each Annual Meeting, a Resolutions Committee consisting of five persons present from member Churches shall be elected from the floor to serve until the close of that Annual Meeting. A plurality shall be considered sufficient to elect.

A. Resolutions Procedure.

1. The Resolutions Committee may initiate and propose resolutions only in reference to expressions of appreciation for hospitality and for appreciation of service to the National Association.

2. All other resolutions, except those matters which are properly considered as proposals for action made by the duly constituted boards, commissions, and committees of the National Association, shall be proposed as follows:

- (a) Only a member church can offer a resolution, and must certify by the Clerk or Secretary of the Church that such resolutions was duly approved congregational action of said Church.
- (b) Such proposed resolution must be germane to the purposes of the National Association as expressed in Article II, Purposes, of the Articles of Association of this Association.
- (c) A copy of such proposed resolution must have been sent to the office of the Executive Secretary at least sixty days prior to the convening date of the Annual Meeting.
- (d) No less than forty-five days prior to the convening date of the Annual Meeting, the Executive Secretary shall mail to each member Church a copy of all resolutions proposed under 2(a) above, showing the name of the proponent member, in order that each member Church will have the opportunity to take congregational action on such proposed resolution so that its delegate may be informed as to what position the member Church wants to take on the same. Copies shall also be given to the elected Resolutions Committee.
- (e) All resolutions so proposed shall be considered by the Resolutions Committee, and the Resolutions Committee shall report to the Annual Meeting its recommendations, favorable or unfavorable, on each proposed resolution. In the event that the Resolutions Committee reports unfavorably as to any proposed resolution, such resolution can then be brought before the Annual Meeting for action only by the delegate, or his official alternate, of the member Church proposing such resolution.
- (f) Any resolution that is adopted shall in no sense bind the member churches.

5. A Commission. A commission shall consist of a body of persons charged with the responsibility of carrying out one or more purposes and/or activities of this Association.

- (a) A Commission shall be charged by the Annual Meeting creating it with a statement of its purposes, powers, and duties, and such statement can be from time to time changed by the action of an Annual Meeting. All existing commissions shall continue to operate under their present charges or rules.
- (b) A Commission shall have authority to conduct its own business within its charge from the Annual Meeting, or its existing rules, provided its actions are germane to the purposes of this Association as stated in Article II of the Articles of Association, and subject to Article IV, 2(c) of the Articles of Association.
- (c) A Commission must work within the framework of the budget approved by the Annual Meeting, or as subsequently revised by the Executive Committee.
- (d) A Commission shall consist of not less than five nor more than nine members, the number to be subject to determination by the Annual Meeting creating the Commission, or by any subsequent Annual Meeting. Not more than two members of a Commission may be members of nonmember Churches.

- (e) The Commission members shall be nominated by the Executive Committee, and after opportunity for nominations from the floor, shall be elected by the Annual Meeting, consent to serve to be obtained from nominees in advance of nominations. In cases where there is no contest the election may be by voice vote. If there is a contest the vote shall be by written ballot the following day.
- (f) The Commission members shall have four-year terms, and terms shall be staggered so that approximately one-fourth of the terms expire each year. A member may serve a maximum of two (2) four-year terms but not consecutively. All terms shall begin at the close of the Annual Meeting.
- (g) Any Commission can be abolished by a majority vote of an Annual Meeting.

V. STATISTICS

A list of member Churches in this Association shall be prepared annually by the Secretary and sent to the member Churches. This list shall, so far as possible, give correct addresses of the pastors and clerks of the Churches so listed, together with such other information as shall be deemed wise in the judgment of the Executive Committee.

VI. FINANCE

1. *Financial Stewardship Committee.* The Executive Committee shall appoint a Financial Stewardship Committee with direct responsibility to the Executive Committee and consisting of eight members, including the Treasurer of the Association who shall be a voting member *ex officio*. Of the seven remaining members initially one member shall be appointed for a term of one year, two members for two years, two members for three years, and two members for four years, but each term thereafter shall be for four years. No appointed member shall serve more than two (2) consecutive four-year terms, nor shall he or she serve or be nominated to serve on any other board, committee, commission or division of the Association so long as he or she is a member of the Financial Stewardship Committee.

The Financial Stewardship Committee shall have responsibility for fund raising, identification of financial needs and long range planning. In addition this committee shall be responsible for reviewing all financial matters and for making recommendations to the Executive Committee.

2. The expenses of the Association shall be met from voluntary contributions solicited from the Congregational Christian Churches in response to recommendations from the Executive Committee, and also from such receipts as may come to the Association in its meetings or through special gifts and legacies.

3. The fiscal year shall begin on April 1 and end on March 31, effective April 1, 1972.

VII. STANDING RULES

Standing rules for the Association may be adopted from time to time by a two-thirds vote of the members present and voting at any meeting of the Association.

VIII. REFERENDUM COUNCIL

1. In the event that not less than ten percent of the member Churches of the National Association contend that any agency or creature of the Churches of the National Association is violating the principles set forth in the Articles of Association, or is taking action contrary to the will and interest of the Churches, or is formally contemplating such violation or action, the contending churches shall have the right and power to call a Referendum Council.

An agency or creature of the National Association is any Committee, Commission, Board, Corporation, or legal or ecclesiastical entity of any kind, brought into existence by the member Churches of the National Association and ratified by the Annual Meeting or a special meeting of the National Association, or by common acceptance and usage. Any subsidiary agency or creature subsequently brought into being by an agency or creature of the National Association shall be deemed an agency or creature of the Churches of the National Association for this purpose.

2. A Referendum Council is an adaptation of the Congregational custom of a vicinage council. It is composed of nine persons, three to be chosen by the Churches that call the council, three by the party whose action or proposal is in question; these six to choose the other three. Each of the nine persons must be a member in good standing of a local Congregational Church which is a member of the National Association. Not less than five members of a Referendum Council shall and must be laymen. If the party whose action or proposal is in question shall fail or refuse to choose three persons within thirty days after receiving written notice to do so from any Church which participates in the call, the Churches taking part in the call shall have the right to choose the number of persons who otherwise would have been chosen by such party.

3. A Referendum Council meets at such times and places as are determined by the last three persons chosen and considers the controversy, hearing the pleadings of both parties. All records of the National Association and its agencies and creatures shall be available, without the necessity of legal recourse, to either or both parties. The Referendum Council shall endeavor to settle the controversy. If unable to do so, it makes its findings, which may include a minority report, formulates the question at issue, and sends the question directly to the Churches, together with a notification of the deadline for voting set by the Referendum Council.

4. The local Churches vote on the question in their own localities. Only a duly convened meeting of a local Church shall be competent to act upon a question submitted by a Referendum Council. A copy of the vote of the local Church, certified by its proper official, shall be forwarded to the Secretary of the National Association. The secretary shall tabulate the votes, and not later than sixty days after the close of voting, notify all member Churches of the results of the balloting. A two-thirds majority vote shall be necessary for decision. No subsequent action on the part of the Annual Meeting of the National Association or a special meeting of the National Association, or on the part of any of the agencies and creatures of the Churches, can overrule or supersede the decision of the Churches on a question referred to the Churches by a Referendum Council.

5. A vote on a question referred to the Churches by a Referendum Council has for the Churches as much force as force of wisdom in it lies; it is not a legal determination. No local Church can be legally bound by anything but its own actions or the laws of the state. But any agency or creature of the Churches of the National Association which ignores, contravenes, or alters the will of the Churches as that will is expressed in a vote of the Churches on a question referred by a Referendum Council, is acting beyond its legal powers, and is subject to legal action by the Churches.

IX. STANDING AND ORDINATION

1. In accordance with the historic and accepted practice of congregational bodies exterior to the local Church of making lists of the names of those who have ministerial standing in our Churches as ordained pastors and teachers and other ministers, missionaries, college and seminary professors and chaplains, the National Association shall prepare, maintain and publish such a list. The list shall include the names of ordained Congregational ministers who are retired or no longer engaged in full-time Christian service or are serving other than National Association churches, and licentiates, coded to indicate their current status.

2. The presence or absence of the name of a pastor or minister on this list shall not be construed as either conferring or denying ministerial standing. The act of recordation shall be a mere acknowledgement of the fact that he is the pastor or minister of a member Church of the National Association. This list is compiled for the convenience of those concerned and as a source of information to the Churches, and it shall be published by the proper agency of the National Association as this is determined by the Executive Committee.

3. In no case shall any person have the right to vote in a National Association meeting merely by virtue of inclusion of his name in these lists. In every case a listed person except a retired minister shall be a member or an associate member of a member Church of the National Association.

4. The National Association has no power to ordain, censure, or depose a minister, or to sit as a council of reference in such cases.

5. Ordination is the right and business of the local Church, but the following statement of things commonly held among us is germane to the purposes of the National Association as stated in Article II of the Articles of Association.

- (a) The local Church being complete under the Headship of Christ in all spiritual and ecclesiastical power has, and shall retain, the inalienable right to ordain. The local Church may call an ecclesiastical council as an expression of the fellowship of the Churches, but it shall be remembered that ordination is by the local Church.
- (b) Ordination by the local Church is valid and sufficient, but it is conducive to orderliness and continuity of record that the fact of a minister's ordination be listed with a larger body or bodies. This may include a local association of Congregational Churches and the National Association. In the case of the National Association, such listing shall be done under the pertinent provisions of this Bylaw.

X. PARLIAMENTARY AUTHORITY

Unless otherwise provided, meetings shall be conducted in accordance with Robert's Rules of Order (Newly Revised Edition).
